

Love Nurture Function – Video Broadcast (9th November 2013) GMT + 00.00.

Is it true wives have a scolding, maternal, nurturing tongue we use on our husband's and why? I heard this from Lance Wallnau as he taught on the 'Angel in Your Field'.

Program

Quick introductions: I'm a wife, mother of 4, and married for 20 years to the same man, Afam (Austin, to many) and am passionate about affiliate marketing. I founded Love Nurture 10 years ago, October 5th 2003 because I saw a need for marriages to be fulfilled, enjoying all that God has for the couple and home. The basis of any marriage should be God first, spouse, children then others, this helps to provide the right kind of balance vital for a heaven on earth experience. This also is a passion of mine.

In the video (just over 39 minutes in length) I take you on a trip down memory lane as we go through the very first publication and take a married couples quiz amongst other things. Love Nurture Investments – Showing parents ways to create multiple income streams enabling them to leave an inheritance to their children’s children. I believe every parent should have this as a side line because of these scriptures:

*“A good man leaves an inheritance to his children’s children...” **Proverbs 13:22 (ESV).***

*“Now I am ready to visit you for the third time, and I will not be a burden to you, because what I want is not your possessions but you. After all, children should not have to save up for their parents, but parents for their children”- 2 **Corinthians 12: 14 (NIV).***

Get your bonus copy of the manual – [A Good Man Leaveth An Inheritance](#) with this video broadcast.

The bible defines a good man as one who leaves an inheritance to his children’s children. In the book I share insights I learnt over the years and tell the success stories of my business associates in their own words. Read on for how you can become a good parent who leaves an inheritance... This bonus is worth \$30.

***Exercise:**

- Couples are to write down any pattern(s) of behaviour or words in their parents (or guardians or other relative) that they saw growing up and that they now see reflected in their marriage.
- Ask yourself which patterns of behaviour are positive and which are negative?
- What emotion if any, did you notice as you listed these patterns of behaviour, were they happy, joyful, sad, angry, feelings or indifference. Note your emotions are what moves you, if there is a choice between emotion and logic, emotion will win - Dr. Todd Coontz teaching at the Millionaires 300 conference-(what do you feel strongly about, that’s the emotion referred to here) *“For as he thinketh in his heart, so is he...” **Proverbs 23: 7 (KJV); Job 22: 28** – “When you make a decision, it will be carried out, and light will shine on your ways” (HCSB).*

Attitudes towards your spouse good or bad has been set in childhood – what you saw or heard. Whether we like it or not we all are or have been subject to verbal programming which affects the way we behave in our marriage.
